

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2003-398

June 12, 2003

NEWPORT WATER DISTRICT
Application for Approval of Issue
Of Securities (§ 902)(\$1,682,180)

ORDER

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On June 4, 2003 the Newport Water District (the District) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$1,682,180 in aggregate with \$500,000 through United States of America Rural Utilities Services, at an annual rate not to exceed 4.5 percent for a term not to exceed 40 years and \$1,182,180 through the Maine Municipal Bond Bank, at an annual rate of 0 percent for a term not to exceed 30 years.

The District requires these funds for the purposes of financing capital improvements to the District's water system, including but not limited to a new storage tank, treatment plant improvements and water main replacements on Elm Street, High Street and other streets and several water main loop completions.

Pursuant to an Amended Delegation Order dated January 9, 1996 in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., Chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for Maine Municipal Bond Bank, Rural Economic & Community Development Administration and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the office of the Administrative Director.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bond are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to §902 (4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

We also note that the projects funded by this securities issue exceed 5% of the District's fixed capital investment and that the District has filed its plans in accordance with 35-A MRSA §6102, Filing with the commission plans for construction or improvements of water systems.

Accordingly, pursuant to the Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

1. That the Newport Water District is hereby authorized to issue its bond in a sum not to exceed \$1,680,180 in aggregate to be used solely for the purposes described in this Order, with \$500,000 at a rate not to exceed 4.5 percent per year through United States of America Rural Utilities Service for a term not to exceed 40 years and \$1,182,180 at a rate not to exceed 0 percent per year through the Maine Municipal Bond Bank for a term not to exceed 30 years.
2. That the District report to the Commission, in writing its doings pursuant to this Order within sixty (60) days of the date of the issue of the proposed bond, or September 1, 2003, whichever may come first.
3. That a copy of this Order be mailed to interested parties and this Docket be closed.

Dated at Augusta, Maine, this 12th day of June, 2003.

BY ORDER OF THE DIRECTOR OF FINANCE

Richard Kania
Acting Director
